Workbench Introductory License Order Form

MetaEdit+ Workbench Introductory License is available on Windows (2000, XP). Prices include electronic delivery, but exclude duties, taxes, and other official charges payable upon importation (Incoterms DDU).

The Introductory License includes the full MetaEdit+ Workbench, modeling environment and API. MetaCase will allow only one Introductory License per company/business unit. The Introductory License does not include support and maintenance. If you wish to order support and maintenance, the annual fee is 20% of the normal Workbench license list price.

Note: Eligible academic and research institutions should refer to details regarding MetaEdit+ Academic Edition (www.metacase.com/academic_license.html)
